Dear Parent/Guardian:

Thank you for your inquiry to our office to pursue the possibility of home schooling for your child/children in accordance with Ohio Revised Code, Section 3321.04. Please note that until all materials have been submitted and your request has been approved, you should not withdraw your child/children from their current school.

For your information, we are sending you a copy of "Rules for Excuses from Compulsory Attendance for Home Education" from the Ohio State Board of Education. These rules were effective August 1, 1989 and will be used considering your request. Also enclosed is the Fairfield County ESC "Home Schooling Notification Form". This form has been developed with the State Board of Education rules in mind and may be completed by a parent wishing to provide home education for their child/children. If you have any questions concerning these items, please feel free to contact us.

If you do choose to home school, please complete the Home Schooling Notification Form with all of the indicated materials and return them to our office within two weeks. Any supporting materials that you have already submitted will be added to your completed request form. In submitting these materials, you are indicating that you will provide home schooling in accordance with the State Standards and that you accept the responsibility of providing your child/children's education.

I look forward to working with you.

Sincerely,

J. Larry Miller, Ph.D.
Superintendent
