At the Learning Steps Preschool, your child will:

- Have opportunities to select his/her activities from among a variety of learning centers prepared by preschool staff members.
- Have opportunities to develop social skills, such as cooperating, helping, negotiating, and talking with the person involved to solve problems.
- Have opportunities to participate in activities in both individual and group settings.
- Have opportunities to see how reading and writing are useful; to listen to and read stories and poems; to take field trips; to dictate stories; to see print in the classroom; to participate in dramatic play; and to experience other opportunities requiring communication, etc.
- Develop an understanding of concepts about her/himself, others, and the world through observations, interactions, and seeking solutions to concrete problems.
- Receive a daily nutritious snack. Children in full-day programs will have a lunchtime where they can either bring a packed lunch or purchase a school lunch. (Free and reduced lunches are available for qualifying families.)
- Participate in classroom activities that align with the Early Learning Content Standards through the Ohio Department of Education.

Learning Steps Preschool is a program serving children, ages 3-5, with disabilities as well as those with no developmental delays or disabilities. The program provides all children with a typical preschool experience and the opportunity to interact with children of all abilities. The child:staff ratio is one teacher and one assistant for up to twelve (12) children. Classes operate during the school year – Mondays through Thursdays.
